

What do we expect from a CLUB leader?

You have a heart for children and you're convinced that they're not only part of tomorrow's church, but more importantly of today's church?

You're good with children and you don't mind them being loud and nervous sometimes?

You like to laugh?

You enjoy singing and you're good at it too? (At least a bit ..., or you know someone who can and who help you out?)

You can pray the Apostles' Creed with a convicted heart? **Song: Creed**

You want to tell children about God and to talk to them about him?

You like the work that KISI is doing and you want to help us that more children have the chance to be a part of it?

You're able to meet with the children regularly (at least once a month) and to spend 2-3 hours with them?

You're willing to be trained? (1x one weekend of training a year, to be on tour once a year)

You're willing to meet the other CLUB leaders in your surroundings twice a year to exchange and network.

You (or someone else from your team) is willing to come to the KISI Fest with your child or to come to the CLUB Summerdays to network with the larger KISI Family?

You're able to answer all these questions with YES? Then maybe you're exactly the right leader for a KISI CLUB in your region. Get in touch with us! club@kisi.at.
